

Notice of Public Hearing For Proposed Property Annexation into the Ogden Valley Parks Service Area

Notice is hereby given that The Ogden Valley Parks Service Area Board will hold a public hearing November 14, 2017 at 6:30 p.m. in the Community Room of the Weber County Library, Ogden Valley Branch, 131 S. 7400 E., Huntsville, Utah, to take public comment on the proposed annexation of identified Ogden Valley properties into the Ogden Valley Parks Service Area.

Representatives for the former Liberty Park and Eden Park (now Ogden Valley Parks Service Area) are proposing annexation of the entire Ogden Valley (except Huntsville Town) into a single park service area.

The estimated annual financial impact of the annexation on a \$400,000 primary residence is a tax increase of \$30.80; estimated annual financial impact on a \$400,000 commercial property is \$56.00.

Each property owner has the right to protest the annexation in writing within 30 days following the hearing.

Proposed Annexation Area: All of unincorporated Weber County (excluding Huntsville Town) in Ogden Valley not currently in either the Ogden Valley Parks Service Area (formerly Weber County Service Area 5 - Liberty Park) or Eden Park Service Area; generally, the area east of the west ridgeline separating Ogden Valley from the municipalities of Pleasant View, North Ogden, Ogden, South Ogden and Uintah from the northern and northwestern county lines between Weber, Box Elder and Cache Counties; the north eastern county line between Weber and Rich County; and the eastern and southern county line between Weber County and Morgan County.
